NOTES ON FINANCIAL MATTERS

1. The registration fees are payable when the child is enrolled.

All fees are non-refundable.

2. The registration fee is equal to one month's tuition and represents prepayment of the tuition for the final month of the school year which is June.
3. Tuition is payable each month in advance and is due on the first school day of the month. It is overdue on the 10th calendar day.
4. When tuition has not been paid for 30 days after the due date, the child is subject to dismissal. If for any reason payment must be delayed, it will be necessary for the parent to discuss this with the Nursery School Director or the clergy.
5. Tuition is based on a yearly fee and is divided into 10 equal payments for the convenience of parents. Some months have more school days than other months due to vacation days and breaks. The monthly tuition remains the same regardless of the number of school days in the month.
6. The Preschool follows the Mountain View School District's yearly calendar. School begins mid-September, has a two week Christmas break, a week for Winter break in February, a week for Spring break in April and ends mid-June.
